Dear Parent/Caregiver,

{INSERT DATE}

In the coming weeks, we will be connecting your {SON/DAUGHTER} to a peer group at school. In this group, called a “peer support,” we will invite 2-3 peers without disabilities to meet with each other and your child during {SPECIFY THE GENERAL EDUCATION CLASS} to connect socially and work on academic goals. An adult at the school will support the students as they work together to focus on teacher instruction and complete classwork. The peers will be given suggestions on how to support your child best, but specific diagnosis and other confidential information will be kept private, unless you would like for us to share contact information for connecting outside of school.

{HIS/HER} will meet regularly with his peer support group...{SPECIFIC INFORMATION ABOUT DAY(S)/TIMES THE CLASS IS MEETING}.

Please let me know if you have any questions or concerns.

Sincerely,
